Leigh,

Please accept this letter as acknowledgement of the Nawash First Nations participation with the Bruce Peninsula Multisport Race [BPMR] Committee.

I must make clear at the outset of our participation that we are part of the First Nation inhabitants of the Peninsula, which was once referred to as the Saugeen Peninsula and along with our sister Community [Saugeen First Nation] make up the people of the Saugeen Ojibway Territory. Our intention is to have one of our Council members participate as an active member of the BPMR Committee.

We hope everything is going as planned as we look forward to our continuing relationship.

Regards,

Chief Nadjiwon
